Chart layout: 3 column(s) by 3 row(s). Use the stitch coordinates to align the pages. Chart cells print at a readable size. Use the dimensions above to size your fabric.

Shaded strips repeat three columns or rows from the neighboring page. Use them to align the pages.

Floss lengths include a 25% allowance and approximate travel on the reverse. A skein contains six strands of 8 m. Actual consumption depends on technique. Screen and print colors are approximations.
