A very formal cat

120 × 120 stitches • 14-count Aida • 21.8 × 21.8 cm

4635 full or half stitches, 7 floss colors. Use 2 strands unless you prefer different coverage.

Find the center of your fabric and the marked center of the chart. Allow about 5 cm of extra fabric on every side before cutting. Each symbol refers to one floss color. A slash marks a half stitch. A continuous line marks backstitch. Work all top diagonals in the same direction.

Chart layout: 3 column(s) by 3 row(s). Use the stitch coordinates to align the pages. Chart cells print at a readable size. Use the dimensions above to size your fabric.

Shaded strips repeat three columns or rows from the neighboring page. Use them to align the pages.

Floss lengths include a 25% allowance and approximate travel on the reverse. A skein contains six strands of 8 m. Actual consumption depends on technique. Screen and print colors are approximations.
